

ERMA INVESTIGATORS

(November 2021)

The individuals listed below are provided to ERMA members as a resource in choosing a workplace investigator. This is not a pre-approved list. Pursuant to ERMA Resolution No. 2021-7 (Establishing Criteria for Approval of Investigators), if an investigation pertains to an ERMA matter, you must first report the claim to ERMA and **obtain written approval from the Litigation Manager prior to engaging an investigator** in order for any expenses to count toward your agency's Self-Insured Retention. An investigator's hourly rate is capped at \$290 per hour for attorney investigators and \$200 per hour for non-attorney investigators.
