

# ERMA INVESTIGATORS

(April 2025)

The individuals listed below are provided to ERMA members as a resource in choosing a workplace investigator. This is not a pre-approved list. Pursuant to ERMA Resolution No. 2021-7 (Establishing Criteria for Approval of Investigators), if an investigation pertains to an ERMA matter, **you must first report the claim to ERMA and obtain written approval from the Litigation Manager prior to engaging an investigator** in-order for any expenses to count toward your agency's Self-Insured Retention. An investigator's hourly rate is capped at \$390.00 per hour for attorney investigators and \$280.00 per hour for non-attorney investigators. Should a particular investigation result in litigation or called upon to provide post-investigation services, the hourly rate shall not exceed \$425.00 per hour for attorney investigators and \$333.00 per hour for non-attorney investigators.
